Dear Mike,

Thank you for your recent letter. I'm sorry I haven't written for a long time - I was too busy with my homework.

I'm glad that you're happy to go on studying. As for me, it was exciting to go back to work too. You must know I'm in eight grade now and I'm too happy to continue studying humaniterian sciences, which I love too much. My favourite subjects are Russian language, literature, social studies, English language. It's always interesting, amazing and informative at these lessons, however, I also like it because of special cosy atmosphere. Moreover, there are some new subjects, for instance, economics, chemistry and German language.

Yeah, I need to help my mum with cleaning, sorry.

I'm looking forward to hearing from you.

Best wishes,

Sonya
