Dear Mike,

Thank you for your letter. It's nice to hear from you again. Sorry for not replying earlier but I've been extremely busy.

Well, studying has been my true passion since childhood so the beginning of the school year always pleases me. You know, I attend in our linguistical-based gymnasium I mostly prefer Mathematics, Information Technology and Foreign languages as they are required for my future career of a coder and give me a huge effort. I've also started to attend the classes of Chemistry and Art this year, they're rather complicated but <sup>so</sup> terrific!

I have to go now, my mom's calling me. Drop <sup>me</sup> a line if you can.

Love,

Rita
